### **Types of Information We Collect Online**

When you use the MEDIDOSE Sites, we also may collect certain usage and device information automatically as described below.

#### **IP Address**

We may record the Internet Protocol (“IP”) address of your computer or other electronic device when you visit the MEDIDOSE Sites. An IP address identifies the electronic device you use to access the Sites, which allows us to maintain communication with your computer as you move about MEDIDOSE Sites and to customize content.

#### **Cookies and Other Tracking Technologies**

We also collect information about your use of MEDIDOSE Sites through tracking technologies such as cookies and web beacons. A “cookie” is a unique numeric code that is transferred to your computer to track your interests and preferences and to recognize you as a return visitor. A “Web beacon” is a transparent graphic image placed on a Web site, e-mail or advertisement that enables the monitoring of things such as user activity and site traffic. These technologies help remember your preferences and allow us to bring you the content and features that are likely to be of greatest interest to you on the basis of “clickstream” data that shows your previous activities on MEDIDOSE Sites.

We utilize Google Display Advertising (such as Retargeting with Google Analytics, Google Display Network Impression Reporting, DoubleClick Campaign Manager integration, and Google Analytics Demographics and Interest Reporting) to (1) show you our ads on other websites based on your prior visits to MEDIDOSE Sites, and (2) better understand our ad impressions and use of ad services. In connection with the Google Analytics Demographics and Interest Reporting service, we may use data from Google's interest-based advertising or third-party audience data (such as age, gender and interests) with Google Analytics to understand and improve our marketing campaigns and Site content.

Some of our online advertising takes place through Google Display Advertising. As part of this program, we use Google Analytics features such as Retargeting. In connection with that feature and others offered by ad networks, we and the operators of ad networks, including Google, may use third-party cookies (such as the DoubleClick cookie) – and in some cases first-party cookies (such as the Google Analytics cookie) – to inform, optimize and serve ads across the Internet, based on a user's past visits to MEDIDOSE Sites. We also may show you ads from some of our affiliated companies when you visit MEDIDOSE Sites.

You can opt out of Google Ads by visiting <http://www.google.com/ads/preferences>. If you do not want your data used by Google Analytics, you can install the Google Analytics opt-out browser add-on at the Google Analytics opt-out page.

This MEDIDOSE Site is not designed to respond to "do not track" signals received from browsers.

To learn more about cookies and other tracking technologies, including how to disable them, please visit <http://www.allaboutcookies.org/>. Please note that some cookies are essential to the functioning of our Sites and deleting or disabling them will reduce the site's functionality.

The Personal Data we collect about you may be stored as long as it is required for the purposes identified when you provided the information for such specific purposes or for any new purposes identified by us and consented to by you, and for any appropriate time thereafter including a sufficient time following to permit you to ask any questions regarding its use, after which point it will be archived only for so long as reasonably necessary for the purposes set out above, in accordance with applicable laws.

### **Providing Product and Services You Request**

If you choose to purchase a product or receive our services, we use the Personal Data that you provide through MEDIDOSE Sites to manage your orders and invoices, to process payments, to respond to your questions, provide you the services you request and offer an optimal customer experience.

Should you choose to provide your consent, you may later withdraw your consent by contacting us as described in the “Your Privacy Choices” section. In other instances, the processing of your Personal Data may be necessary in order to comply with an applicable law or regulation or for the performance of a contract to which you are subject. You may not be able to opt-out of this processing, or your choice to opt-out may impact our ability to perform a contractual obligation otherwise owed to you.

In still other instances, MEDIDOSE may process your Personal Data based on MEDIDOSE’s legitimate interests in communicating with you about our products and services, and about scientific research and educational opportunities. You have the right to opt-out of all such processing of your Personal Data. You may do so by contacting us as described in the “Your Privacy Choices” section.
